DEMOCRATIC CLUBS

Third Ward Clubs Adds New Members—Seventeen Speakers.

A Crowded House to Hear the Candidates—Meeting of Fifth Ward Precincts Clubs Hear Many Speakers—Italian and Other Organizations To-Night.

The Third Ward Democratic Club held its regular weekly meeting last night, and every seat was full. "Standing room only" was not displayed, and was plainly evident, and when President T. J. Randolph rapped to order the audience was ready to hear the line of orators that reached from the door to the street. Col. W. W. Sale acted as secretary very acceptably, and the following new members were elected: Jos. Bamburgh, Jas. N. Bell, Nathaniel Beaman, J. E. Pentress, J. M. Martin, M. W. Talbot, Thos. Talbot, P. E. Yeatman, F. P. McIntyre and W. H. Robinson.

The following candidates were present and spoke: Messrs. J. W. Cherry, W. L. Baker, Jas. F. Reid, W. P. Dodson, B. L. Christian, Dr. S. A. Sutton, H. A. Tarrall, W. H. Venable, J. A. Dalby, R. S. Weaver, H. S. Herman, W. W. Doy, Dr. C. D. J. Macdonald, H. M. Broughton, J. V. Trehy, Dr. H. T. Batts and Frank Topham, the latter representing Dr. J. G. Riddick. The candidates were evidently feeling the strain of the continuous speaking of this extraordinary campaign, as some were suffering from hoarseness and sore throats, but they came up gamely to the scratch, spoke and departed to fill other engagements. They were listened to with courteous attention, and the meeting adjourned at an early hour.

ENDORSED FOR COUNCIL.

The Citizens' Democratic Club of Brambleton held a largely attended meeting at their club-rooms on Park avenue at 8:30 o'clock last night. President Wassum presided. About twenty new members were elected.

Mr. Wassum, chairman of the Executive Committee of the club, reported that after making the most strenuous efforts the committee had been able only to secure three names to present to the club as candidates to be voted for at the coming election for members of the Council from the ward, and they were Messrs. A. M. Cousins, J. O. Reid and C. Preston Denby.

On motion the report of the committee was received, and the three gentlemen were declared the nominees of the club to be voted for as members of the City Councils.

A resolution endorsing the course of Mr. Cousins as a member of the present Council was unanimously adopted.

A resolution was also adopted endorsing the course of Colonel N. C. Pamplin as a member of the Board of School Trustees from the ward and re-

BOARD OF FISHERIES

Captain Hudgins Re-elected Commander of Steamer Chesapeake.

An Incorrect Statement—Additional Oyster Inspectors Chosen—Codification of Oyster Laws—Disposition of the Chesapeake—Next Meeting of the Board.

The State Board of Fisheries adjourned yesterday afternoon after having completed the election of the captains of the oyster navy steamers Chesapeake and Accomac, and the schooner Pocumoke. The old officers were elected as follows: Steamer Chesapeake—Captain William E. Hudgins. Steamer Accomack—Captain J. H. Coston. Schooner Pocumoke—Captain W. E. Parks.

The following resolution was adopted: Whereas, the steamer Chesapeake is in need of repairs, and the Board of Fisheries has for some time and are still contemplating the advisability of disposing of the said steamer and replacing the same with a vessel or vessels more suitable to the economical and proper protection of the oyster interests; and

Whereas, it is proper that in the election of a captain of said steamer the probable or possible action of said Board may be fully understood; therefore be it

Resolved, That the captain elected at this meeting is for no stated term, but holds entirely at the discretion of the Board.

CORRECTION. The statement in yesterday's Virginian-Pilot concerning the "old sore" which certain persons sought to reopen at the meeting of the Board Wednesday was incorrect in so far as the reference to Captain Hudgins dismissing his crew. The crew deserted him when the Chesapeake was ordered to do quarantine patrol duty in Hampton Roads last summer. Captain Hudgins' many friends are congratulating him on his re-election.

ADDITIONAL OYSTER INSPECTORS Not all the oyster inspectors have been elected. In addition to those given in yesterday's paper, the following were elected yesterday: C. Mathews, District No. 17—W. H. Gayle and Julian T. Christian.

The Nansemond, New Kent and Warwick districts are yet to be filled, and also one of the sub-districts in Northumberland county. The election of inspectors in these districts was postponed for various reasons.

CODIFICATION OF LAWS. The Board decided to postpone the election of the three attorneys who are to codify the oyster, fish, crab and clam laws into two or three condensed bills, to be submitted to the next Legislature for passage.

NOTES. It is very probable that if the Chesapeake is disposed of two or three sailing vessels will be put in her stead.

The next meeting of the Board will be held here May 1st.

Street Car Runs Over Child. While playing in Church street, near Bute street, about 5:10 o'clock yesterday morning, Rocco Corletto, a little Italian boy about three years old, was run over by trolley car No. 46, in charge of Motorman W. W. Bright and Conductor J. W. Stewart. All the fingers on the child's right hand were crushed, and one finger and part of another were cut off.

Conductor Stewart carried the little fellow to the operating room in St. Vincent's Hospital, where the right hand was amputated below the wrist, and two fingers from the left hand. It was reported from the hospital later that the boy was resting as quietly as could be expected. The injured child lives with his parents on Chapel street.

The conductor and motorman will appear before Justice Tomlin this morning, together with several witnesses who saw the accident.

Newsboy Seriously Injured. While carrying his papers last night on his bicycle, Mr. Charlie Beck ran into a pile of sand on Market Place, unmarked by lantern or other device, and was thrown over the handle-bars of his machine, knocking him senseless, in which condition he remained until carried to the police station and there revived by Officer Holliday.

Mr. Beck sustained a severe contusion of his left cheek, dangerously near his eye. The leaving unmarked such obstructions is a dangerous practice and against the law. One pedal of the bicycle was broken.
